Auto Collision Proves Fatal to Chicagoan Sun.

Cars Driven by R. Lundgren, Chicago, B. Vogt, Round Lake, Collide

No calls were received by the Antioch Rescue squad over the holidays. Sunday evening at 8:45 the squad was summoned to the intersection of Wilson and Nippersink roads, where cars driven by R. Lundgren, 39, of 4156 North Harding avenue, Chicago, and Bernard Vogt, 39, Round Lake, were involved in a collision in which Lundgren received injuries that caused his death a short time later.

With Lundgren, who was driving south in a 1940 Chrysler club coupe, was his wife, 32, who received internal injuries and cuts about the face. Lundgren suffered fractures of the neck, skull and lower jaw and was bleeding internally. His condition was such that members of the squad and physicians believed he might not even live until removed to a hospital. He was taken to St. Therese hospital in Waukegan, being removed with all possible care, but succumbed to his injuries at the hospital, despite the efforts of two physicians to save him.

Vogt, who was driving west in a 1937 Buick sedan, sustained broken ribs, and Ernest Manske, 42, of Route 131 and Beach road, who was riding with him, had a broken right leg and cuts on his face. Both are relatives of the William A. Rosing family of Antioch.

Two Heart Cases

A heart attack suffered by John Cribb, Lake Villa township supervisor, brought a call for the squad earlier Sunday, at 9:10 a. m. He was taken to St. Therese hospital.

Saturday at 8:30 p. m., a pupil at Miss West's school on North avenue, whose name was given as Bert Badd, was taken to Victory Memorial hospital in Waukegan for observation. Victor Schram, who for some time had a store at Deep Lake, was taken to Lake County General hospital Friday, suffering from a heart ailment.

"Community Night"

Honors Farmers, Future Farmers

Agricultural Accomplishments Are Praised at Evening Meeting

The local farm group's activities in honoring those who have accomplishments in various fields of agriculture were praised by Ellsworth Lyon, director of young people's work for the Illinois Agricultural association, who was the principal speaker at Antioch's Farm Community Night program Friday evening in the high school auditorium.

Lyon commented on what he called an attitude of "defeatism" on the part of many persons who, he said, seem to think that they cannot do a job which may be expected of them, or who feel that someone else should do it.

Thirty-two farmers received diplomas for having successfully completed the adult evening school in "Increasing Milk Production."

Eleven high school students received Chapter Farmer degrees in the Future Farmer Association of America. They were presented the degrees on the basis of their success in the production of livestock, poultry and crops under the supervision of their instructor and chapter advisor, C. L. Kutil.

Those receiving this honor were Philip Burke, Robert Carlson, Jerry Hunter, Logan Lundgren, Richard Redmer, William Messager, Peter Wolowic, Clifford Mirocko, Betty Drury, Francis Wolowic and Alan Thain.

Alan Thain was presented the Illinois State Farmer degree and the National Dairy Association award.

C. L. Kutil, vocational instructor, was presented a check for \$25.00 by the local organization of the Pure Milk association, in appreciation of services to local dairymen during the past 22 years of tenure in this community.

Approximately 150 attended the meeting.

Firemen Attend County Meeting at Fox Lake

A large delegation from Antioch attended the annual election meeting of the Lake County Firemen's association Monday evening at Fox Lake.

Legion Post Seeks Information to Bring Records to Date

Requests for information have been sent out by Antioch American Legion Post No. 748 to relatives of Antioch and Lake Villa service men, who are being requested to fill in the blanks and send them in as soon as possible in order to bring the Legion's files up to date.

The Legion records are consulted throughout each week, it is pointed out, for information for mailing lists, for names for honor rolls, and for various church and lodge interests.

Attention is also called to the fact that regulations have been drafted, effective July 1, which provide that local postmasters shall require publishers to submit for examination the requests made by addressee-subscribers. Either the serviceman or someone in his behalf may pay for the copies of newspapers or other publications sent to the service man, but the request must be initiated by the addressee. No complimentary copies will be accepted for mailing.

It is also provided that publishers mailing copies in accordance with the new rules shall include with the address a certificate reading: "Mailed in conformity with P. O. D. Order No. 27851." Copies not bearing this certificate will be returned to the publishers.

News of the Boys in Service

"BUD" KUCERA IS HOME ON FURLOUGH

After 37 months of service overseas in the southwest Pacific theater of action, Lt. Anthony ("Bud") Kucera, son of Adolph L. Kucera, is home on a 30-day furlough. He will report at Miami, Fla., for further orders at the end of his furlough.

He has served in Australia, New Guinea, the Dutch East Indies and the Philippines, with the 32nd division of the 126th infantry. He took part in action at Saidor, Aitape, Dutch New Guinea, Buna, New Guinea, Merotai, Dutch East Indies, Leyte, Mindora and Lingayen.

Lt. Kucera has been in the service since October, 1941, having trained at Camp Livingston, La., and DeWitt, Mass. He is a graduate of Gulf Port Military academy, Calif., and also attended Mississippi State college. He was employed at the Johns-Manville plant in Waukegan before entering the service.

Mrs. Wilbur Hunter received a Mother's Day telegram from her son-in-law, T/Sgt. William Gerber, in France.

NICK HILBERT HAS RECEIVED PROMOTION

T/5 Nick Hilbert, who has been serving overseas in the European area with the First army, has been promoted to sergeant.

T/5 Francis E. Eppers of Engineer Corps is Awarded Verdun Medal

Announcements have been received of the award of the Verdun medal to T/5 Francis E. Eppers of the Army Engineers Corps.

The medal, of bronze, is mounted on a red ribbon with a border of white and blue, and bears on one side the relief medallion of a woman in helmet and armor, holding a sword, and the motto, "They Shall Not Pass." On the reverse side is the ancient castle of Verdun, bordered by two laurel branches, with the date "21 February 1916."

The accompanying certificate of presentation reads as follows:

Memorial Rites Honor Departed Local Veterans

Citizens, Patriotic Groups Gather to Pay Tribute to Dead

While paying reverence to the dead for their sacrifices and to the living for their efforts in behalf of the liberation of mankind from enslavement, we must continue to give thought to those who are still fighting. Maj. R. V. Jackson declared in a Memorial Day address in the Antioch village park yesterday afternoon.

He particularly urged all at home to write more letters to service men overseas, and to remember to mention the little daily incidents as well as the larger ones.

Drawing upon his experiences as a veteran of two wars, World Wars II and I, he declared, "It is my firm conviction that the average person is derelict in the performance of this great morale building duty. The people hesitate to write about the little inconsequential things that one misses so much when away from home."

The program was preceded with a parade from Antioch Township High school to the park. Patriotic, municipal and fraternal organizations, as well as service men and veterans took part in the line of march.

Introduced by Horan

Maj. Jackson was introduced by John L. Horan, Tenth district vice-commander of the American Legion.

The opening service was conducted by Otto S. Klass, Americanization officer of the Antioch Legion post. The singing of "America" followed.

Commander F. A. Swenson of the post led in the pledge of allegiance to the flag, which was followed with the invocation by the Rev. W. C. Henslee; opening remarks, Horan; memorial welcome, Otto S. Klass in the absence of the Hon. George B. Bartlett, village president; selections, Antioch High School band, directed by Hans von Holwede.

The roll call of departed veterans was read by J. Harry Messager, chaplain of the Antioch Legion post; the Antioch auxiliary unit was in charge of the placing of a wreath on a symbolic Unknown Soldier's grave.

The Rev. F. M. Flaherty gave the prayer for the departed comrades, which was followed with a selection by the Junior Legion Drum and Bugle corps.

The address by Maj. Jackson came next, and a 30-second period of silence was observed in tribute to departed comrades.

The singing of "The Star Spangled Banner" by the assembly, with band accompaniment, the benediction by the Rev. A. D. McKay, a memorial salute by the firing squad and the sounding of "Taps" concluded the observances.

High School to Graduate 56 at Exercises Friday

Joint Eighth Grade Exercises are Held by 6 Schools

Fifty-six seniors will receive their certificates of graduation at the thirty-third annual commencement exercises of Antioch Township High school, to be held in the gymnasium Friday evening at 8:30 o'clock. Dr. S. A. Hamrin is to be the speaker.

Joint eighth grade graduating exercises were held by Antioch Grade school and the Oakland, Grass Lake, Channel Lake, West Newport and Hickory schools Monday evening in the high school auditorium.

The Rev. Paul E. Turk of Libertyville was the graduation speaker.

H. S. Services, Picnic

Baccalaureate services were held by the high school Sunday evening in the school auditorium, with the Rev. A. D. McKay, rector of St. Ignatius' church, presenting the principal address.

The high school's annual picnic outing was held last Thursday at Fox River park.

Stresses "Staying Power"

"Staying power" was the general theme of Rev. Turk's talk at the joint graduation program. The speaker was introduced by Richard Whitacre, principal of the Antioch Grade school, who also presented the diplomas. Selections by the Grade school band, the song, "America My Own," Cain, by Marilyn Ries, and "Pale in the Amber West," Parks, by the Antioch Grade School Girls' chorus, comprised the musical part of the program. The invocation and benediction were given by the Rev. W. C. Henslee.

Seventh War Loan Campaign Begins to Have Good Response

The Seventh War Loan campaign is beginning to draw a heartening response in Antioch township, Chairman Otto S. Klass reported this week.

He observed, "Gen. Patton's excellent slogan—'The more sweat today—the less blood tomorrow,' and Walter Winchell's comment—as the boys would say—'You supply the sweat, we'll supply the blood,' are setting the keynote for this campaign throughout the country."

"Germany is out of the active fighting, but battle fronts still remain, and one of them is yours."

"The war is not over. The job of crushing Japan is a big one and the Pacific front is still a tough front. There is still another one—the home front, which is yours. The more we buckle down to running that front well, the sooner the Pacific job will be done and the whole war really over."

"Are you doing your job in as big a way as the boys over there? Now is your opportunity to help your country, your boys and, last but not least, take an opportunity to make the safest investment in the world."

"Antioch township has an \$85,000 quota to meet. Are we going to meet it? I believe that we are, and that we are going to buy more than that to show the boys we are fighting over here to help them fight over there."

"Your personal quota is big—bigger than ever before. So big that you may feel that you can't afford it."

"But we can afford it—if American sons, brothers, husbands can cheerfully afford to die."

"So again, let's not buy as small a bond as we can, but as large a one as we should!"

Student Honored by Illinois Future Farmers' Ass'n

Alan Thain, valedictorian of the Antioch Township High school 1945 graduating class, has been honored by two agricultural groups.

Thain was granted the State Farmer degree by the Illinois Association of Future Farmers of America at their annual convention in Urbana, and has been presented a beautiful gold watch charm in token of his accomplishments.

The National Dairymen's association presented a silver medal to Thain for his work in building up a registered Holstein herd and for efficiency in herd milk production.

Thain has made an excellent record in wild life conservation work and reforestation studies, and has been honored by the state on several occasions.

Start Transfer of Thordarson's Plant to Burgess

The Thordarson Electric company quarters in the Ackerman building here were closed at the end of the working day Tuesday, preparatory to moving the Antioch branch of the plant back to Chicago.

Simultaneously, the Burgess Battery company of Elgin, Ill., prepared to take over the space.

Both George Garland, foreman, and Tom Moir, branch manager for Thordarson, as well as others of the plant personnel, will continue at the plant here, in the employ of the Burgess company.

The Burgess company at one time had a large interest in the Thordarson concern, but sold its holdings in Thordarson company later.

The Thordarson company has been operating a branch plant here for a little over a year.

Increases Granted in "A" and "B" Gas Users

The Number 16 coupons in "A" gasoline ration books will be good for six gallons instead of four when they become valid June 22, allowing for three gallons a week instead of two, in line with a 50 percent increase announced May 24 by the Office of Price Administration.

There will also be substantial increases for many "B" book holders, commencing June 11, it is stated.

The "A" coupons will continue to become valid in series of six and to be good for three months, as at present.

Corn Harvester Patent Is Granted to Houghton

Arthur H. Houghton, a graduate of Antioch Township High school who is now operating a farm on Route 2, Woodstock, Ill., has been granted a patent on a tractor-mounted corn harvester. The patent, No. 2,375,846, was issued in Washington, D. C., May 15.

Poppy Day Brings Response of \$281

Two thousand poppies were sold in Antioch Saturday, with returns of \$281.89, Mrs. A. H. Kaufmann, Poppy Day chairman for the Antioch American Legion auxiliary, reported this week.

Mrs. Kaufmann attributed this fine showing both to the zeal of the workers and to the splendid response on the part of the public.

Volunteer workers included the Girl Scouts, Mmes. Eva Burnette, Lilian Hand, Alma Harden, Anne Heath, Sadie Keeney, Myrtle Klass, Tillie Miller and Margaret Roof, and Miss Jean Harden.

Congregational Churches Plan 77th Meeting

Millburn Parish Will be Host to Annual Meeting June 5

The seventy-seventh annual "June meeting" of the Lake county Congregational churches will be held Tuesday, June 5, with the Millburn parish as host.

Other churches to be represented include Grayslake, Ivanhoe, Mundelein, Washburn and Waukegan.

Miss Ruth Minto will act as moderator, Mrs. L. H. Messersmith, secretary, and Mrs. Ida Truax, pianist.

The meeting will open with registration at 3 p. m., followed by devotions, under the charge of the Rev. T. S. Sampson. Music will be furnished by the Mundelein group, after which Dr. Paul Reynolds, Chicago, will speak on "Religion's Power at Home." After another musical interlude, under the charge of the Millburn parish, the Rev. R. R. Keithahn, who has served at missions in India for several years, will speak on "Religion's Power Abroad."

Rev. R. R. Keithahn

A business session at 5:10 p. m. will include the reading of minutes and a report by the nominating committees.

A dinner will be served at 6 o'clock, with Dr. J. W. F. Davies acting as master of ceremonies. Presenting reports from the various churches at this time will be Miss Helen Beckwith, Grayslake; Mrs. William Atwell, Ivanhoe; Mrs. J. G. Bonner, Millburn; Mrs. Ralph Rouse, Mundelein; Mrs. Frank Nehmer, Washburn; Mrs. J. J. Sick, Waukegan.

Devotions at 7:30 p. m. will be under the charge of the Rev. Lincoln Reed. Music will be furnished by the Waukegan group and Dr. Davies will give the sermon. The communion service is to be under the charge of the Rev. C. A. Jevne.

Rev. Keithahn's experiences in India included an experiment in living the Indian village life, eating native food and living in an Indian style home. Mrs. Keithahn, who has an M. D. degree, has done nutritional research in India. Rev. Keithahn's talk will deal with some of their experiences and observations, and is expected to be unusually interesting.

To Vote on Newport Fire Protection Area

A special election will be held by voters of Newport township Saturday, June 26, from 6 a. m. to 5 p. m. for the purpose of voting on the formation of a new fire protection district, to be known as the "Newport Township Fire Protection district."

This area has heretofore been outside the other fire protection districts of the county, although the Antioch department and other nearby fire departments have answered calls originating there.

Millburn Chapter No. 570, Order of Eastern Star, will hold Advance officers' Night, Saturday at 8 p. m. in the Millburn Masonic temple.

Sequoits Set 4 Records to Take N.W. Leadership

Break Hurdles, 880-Yd., Shot Put, Relay Scores at Palatine

Four new records were set by Antioch Township High school when the Sequoits piled up 60 points to win the championship at the seventh annual Northwest conference track and field meet at Palatine last Wednesday.

Don Jones set a new record of 24.2 in the 220-yard low hurdles; Stuart Good made the 880-yard run in 2:05; Louis Nielsen set a mark of 46 feet, 7 3/4 inches in the shot put, and the Sequoit freshman relay team of Mattson, Osenbaugh, Dublin and Kraft ran the 440 event in :49.3.

Barrington took second place with 54 points; Palatine was third with 51; Bensonville fourth with 31 and Wauconda fifth with 11.

Events in which Antioch scored included the following:

High hurdles (120-yard), Jones, first; 880-yard run, Good, first; Redmer, fourth; 100-yard dash, Trieger, third; 440-yard dash, Trieger, second; 220-yard low hurdles, Jones, first.

One mile run, Good, first; half-mile relay, Antioch, third; one mile medley relay, team of Dublin, Sisson, Krueger, Grunow, first; 440-yard freshman relay, team of Mattson, Osenbaugh, Dublin, Kraft, first; shot put, Nielsen, first; Krueger, third.

Discus throw, Nielsen, first; pole vault, Jones, first; Kraft, fifth; high jump, Holum, tied for fifth; broad jump, Good fourth.

Lions' Spring Golf Honors Go to J. P. Miller

Bauer Places Second, Anderson Third in Tournament

J. P. Miller won low gross honors at the annual spring golf tournament held by the Antioch Lions club Monday on the Chain O' Lakes course.

Louis Bauer placed second in the low gross event, C. K. Anderson third, and Harry J. Krueger and Homer La Plant tied for fourth place. The consolation prize went to William A. Rosing.

First place in a field of several competing for blind bogey honors went to Ray Schuster.

The guest prize was won by O. W. Turner of Little Silver lake.

Guests were present from a number of nearby communities and cities, including Lake Villa, Libertyville and Chicago.

A supper, for 40, was served in the Chain O' Lakes clubhouse, and a social meeting was enjoyed afterward.

On the committee for the day were Ed. F. Vos, L. E. Murrie, Dr. G. W. Jensen and R. A. Arnold.

The cynosure of all eyes—those devotees of the larder who lineup outside meat markets by the hour and in the rain to get first chance when the store opens. Ourselves, we're in favor of a decent meat ration for those doing heavy physical labor, for children, for persons who need it for medical reasons, etc. Looking at the loaded shelves in the stores, it seems to us that we aren't exactly in imminent danger of starvation YET—and that we can share a little with those who need it pretty badly. Or are we wrong?

Things we've been behind on mentioning and ain't got around to just yet—David Deering's "cannonball" haircut; ditto Bro. Billy's, also George and Jack Nelson's, which we are reliably informed, look singularly out of keeping with their acolyte robes at St. Ignatius' church—particularly when that black eye little Jack acquired somewhere rather is taken into account. Fortunately, time cures lots of things—incl. bl. eyes & GI tansorial styles.

A meeting of the Village council will be held Tuesday evening.

Veterans' Hospital Patients

Need Friends As Well As Medicine

With regard to the future that was raised recently about veterans' hospitals, we've been interested lately in receiving the opinions of men who have actually been patients in them.

Some of their comments might be worth a little study.

For instance, they highly approve of the efforts various organizations have made to arrange social events for the patients. The only trouble is, they say, that these do not reach the patients who are unable to leave their wards because of their injuries or handicaps, and who sometimes get pretty tired of looking at the same walls day in and day out.

The hospitalized veterans who are able to do such handiwork as making poppies for Poppy Day, etc., appreciate the opportunity to do work that brings them a little "pin money."

Enforced idleness and the inability to do work of some sort weigh heavily on the minds of those who have no means of occupying their time. Hence, many of the patients find handiwork a welcome diversion as well as a means of earning sums they can use for smokes, magazines and miscellaneous expenditures.

The suggestion has also been made by some of the veterans that the establishment of smaller "rest homes" and "convalescent homes" to relieve the crowded conditions in the large veterans' hospitals would provide a welcome change of scene for such patients as were well enough not to require highly technical care.

What many of them miss most, it is said, is the opportunity to mingle with people or to have visitors from outside the hospital—in other words, the ordinary "human contacts" of life. The feeling of being "shut in" is one of the most depressing of all factors to men who have lived active lives, it is said by some of these men, and the knowledge that people of the "outside world" could give them some companionship, or that they themselves could have an occasional change of scene would, it is estimated, be most helpful to them in their battle to overcome illness or injury.

Many of them no close relatives, or at least, no relatives or friends within a reasonable traveling distance.

While some of them will be in the hospitals for a comparatively short time, others will be there for long periods. Surely, a little more "humanness," as well as greater efficiency, can gradually be brought into these hospitals so as to make the lot of the veterans there a more cheerful one.

Their staffs, many of them short-handed and overworked, cannot do this alone. It is a job in which the public will have to, and should help.

Heading the Right Way, Anyhow

We've been trying, conscientiously, to keep read up on what's happening out at the San Francisco conference, because we have an idea that it may have a pretty important influence throughout the world in the years to come.

We've also been wondering if most people are having quite as hard a time as we have in trying to figure out just what HAS been going on there.

The furthest we've managed to get, so far, in

our comprehension is that it's a mighty fine thing for nations to get together and talk things over; that despite many understandable differences of opinion, there is a sincere endeavor to plan for the best future interests of the world; and that despite all obstacles, quite a bit of real good will be accomplished.

Theme Song of the Day— "They'll Be Some Changes Made"

Much more of a thrill than V-E Day is the news that many of the men who have been serving in the European area will at least have the prospect of a furlough at home some time within the coming months, and that many of the veterans in the Pacific may now be released for similar privileges.

The meat shortages that have been played up in fairly large headlines haven't had half so much local going-over as the news that certain young men of this region might be expected to show up here from overseas pretty soon.

The news that the gasoline ration was to be increased was heard with less outward demonstration of excitement than word that spread through the village to the effect that the —'s son was due to arrive home on such-and-such a date.

Many of these young men will have to go out on duty again in the Pacific area to relieve or augment forces that have been there for a long time; others from both areas will be home to stay.

At any rate, however, it looks as though things weren't going to quiet down on the home front very soon. Perhaps it's too soon to tell—but can it be an omen that the immediate post-war period, whenever the Pacific war does come to an end, is going to be a very busy, hard-working time, indeed?

Commencement—Or Continuation?

It is conventional, at this time of the year, to publish a graduation editorial or two.

Not that anybody ever reads it. The young people are too busy, and the old folks feel that it just doesn't apply to them.

The traditional tenor of such writings, as well as of many graduation talks, is that the students are now "going out into the world," that they are "commencing" their life work.

However, as far as we can see, many students are agreeably surprised to learn that working isn't a lot harder than going to school, that it is often as much fun, and that a lot of the same elements prevail in the work-a-day world as in the school world.

After a while they even get a sneaking suspicion that they really were living all the while they were in school, too. Some of them even learn that they had capacities and capabilities that just didn't come out in school—and this makes them feel very good, indeed.

Most of them, we think, are apt to turn out pretty well, and we wish them all possible success along the way.

Postal Order to Regulate Navy Mail Announced

After July 1, copies of the Antioch News can be mailed to members of the armed services in the navy, marines and coast guard overseas only in accordance with the Postmaster General's Order No. 27851, which is as follows:

At the request of the Navy Department, effective July 1, 1945, in order to conserve shipping space and to prevent nonessential mailings, the following arrangements between the Department and the Post Office Department shall govern the acceptance in the mails of newspapers and other periodical publications addressed to personnel of the Navy, Marine Corps and Coast Guard overseas:

1. Individual copies of newspapers and magazines offered for mailing by publishers, addressed via the fleet post offices at New York, N. Y., or San Francisco, Calif., to Navy, Marine Corps, and Coast Guard personnel on duty overseas, shall be accepted only when they are being sent in fulfillment of written requests initiated by the addressees for subscriptions or renewals of subscriptions.

2. Postmasters at the offices of mailing shall require publishers to present for their examination the requests from the addressees for subscriptions or renewals of subscriptions.

3. Relatives and friends may pay for the subscriptions or renewals of subscriptions provided the addressees have initiated requests therefor.

4. Complimentary copies sent by publishers, copies paid for by advertisers, and copies sent under any kind of an arrangement whereby the requests of the addressees are solicited shall not be accepted.

5. Copies mailed in fulfillment of subscriptions which are unexpired on the effective date of this order shall be accepted until the subscriptions expire.

6. Publishers mailing copies in accordance with the foregoing shall include with the address a certificate reading: "Mailed in conformity with P. O. D. Order No. 27851." Copies not bearing this certificate should promptly be returned to the publishers.

The Navy Department has also suggested that through press and radio the public be encouraged to include clippings of particular interest in letter mail rather than send complete issues of newspapers and other publications.

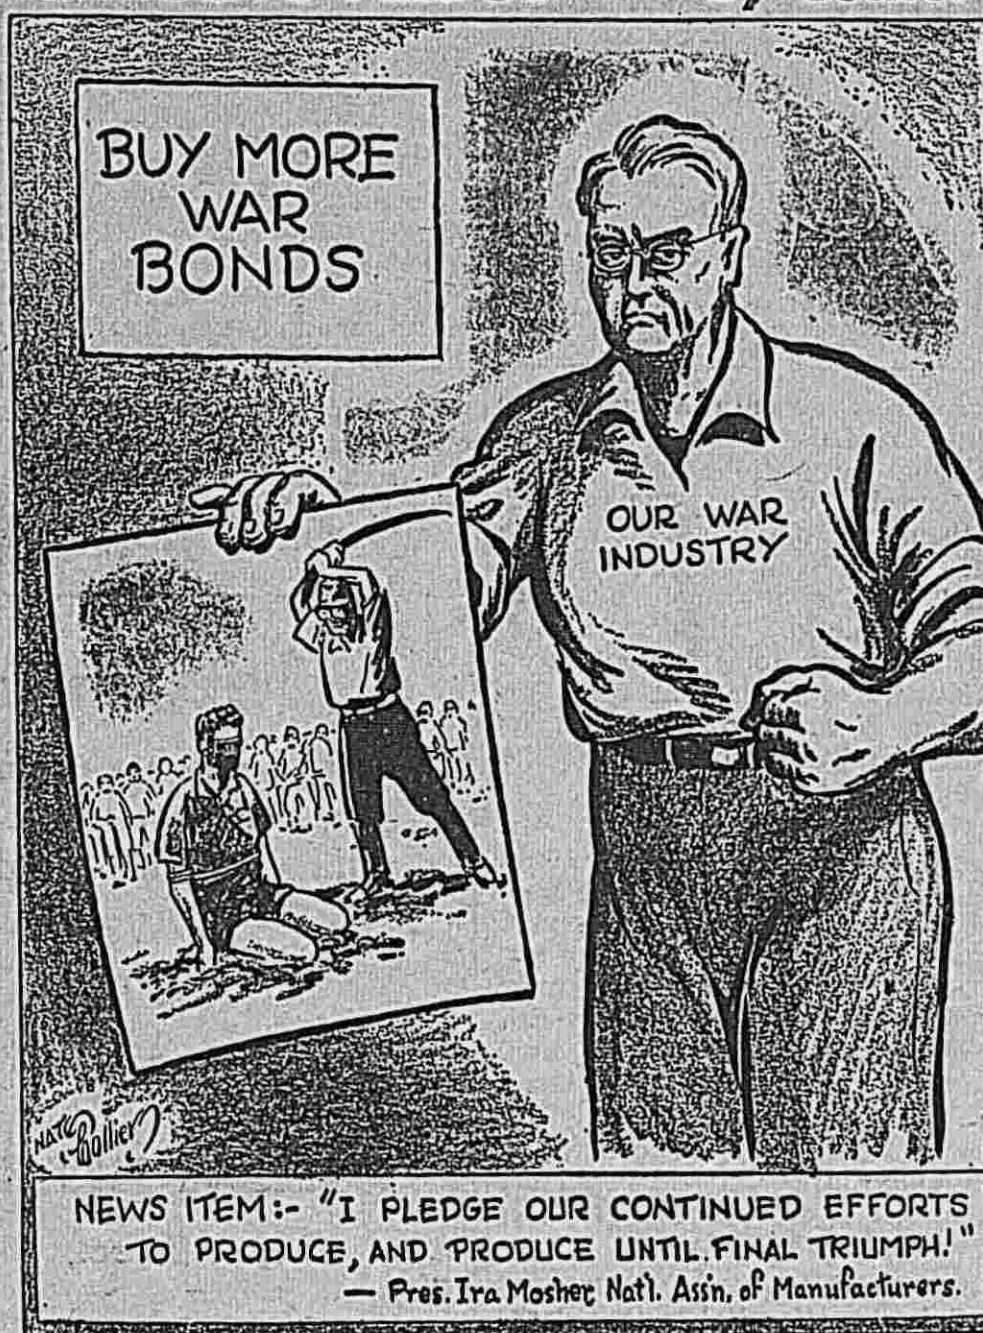

Postmasters should, therefore, give wide publicity to the foregoing in order that all persons concerned may be informed of the necessity for conserving shipping space.

MORE MEN NEEDED TO COPE WITH OVERSEAS SUPPLY PROBLEM

Carrying supplies for the maintenance of our troops as well as the liberated counties in Europe and the forthcoming transference of many divisions of experienced troops and millions of tons of equipment from Europe across thousands of miles to the Pacific front has produced a renewed drive to recruit men for U. S. Maritime service training to sail in the merchant marine.

Young men between the ages of 17 years and 17 years and 9 months and also from 26 to 50 are immediately eligible for merchant seaman training. With from 6 weeks to 6 months training, depending upon the type of duty the man qualifies for, U. S. Maritime service trainees are ready for their

AMERICA'S PLEDGE - - - By Collier

first assignments aboard ships of the Victory fleet.

Under recent law, men who leave civilian employment for duty with the U. S. Maritime service, are guaranteed the same re-employment rights and privileges as men entering the other services.

Dach G. I. in combat requires a minimum of two tons of supplies per month. "Must" deliveries of these supplies to the battle-fronts all over the world is the assignment of the men of the merchant marine. In Chicago the U. S. Maritime service recruiting office is located at 844 Rush street. Applicants can also report at Room 208-312 East Wisconsin Avenue in Milwaukee.

Type of Work Affects Social Security Income

"We had an inquiry at our office yesterday that illustrates a misunderstanding of one important provision of old-age and survivors' insurance under the Social Security act," Bernard Barnett, manager of the Waukegan Social Security Board office, stated recently. "From the number of such inquiries, it seems that the misunderstanding is rather general."

"Yesterday's inquirer was a man who had worked up to six months ago at a job covered by the Social Security act. Then he got a job with the government. He was 65 and fully insured. He wanted to know whether, if he applied for and became entitled to old-age and survivors' insurance payments, he could draw them while he was working for the government. It was explained to him that he could. He had believed that in order to receive old-age and survivors' insurance payments he had to stop working entirely. That, of course, is not true."

The law provides that no payments will be made to a beneficiary for any month in which he renders services for wages of more than \$14.99 in work covered by the law. That is the only

kind of work that can interfere with receipt of old-age and survivors' insurance payments to a beneficiary. Work for the government—federal, state, city, county—is not covered. Consequently, no matter how much the beneficiary in this case made at such work or any other work not covered, it would not stop receipt of his monthly old-age and survivors' insurance payments. We are always glad to answer questions relative to this or any other provision of the law. Failure to inquire about provisions that are not understood can cause loss of money to insured persons or their survivors."

"I have more time
to sell War Bonds

THANKS TO MY

AUTOMATIC RANGE"

"I'm going to help our town be out on top in War Bond Sales this year. Yes, I can devote more time to selling bonds—I have my automatic range to thank for that!

"I just plan my meals ahead of time, slip the food into the oven before I leave, set the easy-working automatic timer... and away I go! It's really wonderful to know that when I come home a delicious dinner will be all ready to serve."

"Another thing—my automatic

range is so clean cooking! It doesn't blacken my pots and pans. Why, I can wash them in a jiffy, as easily as cups and saucers. Accurate heat control keeps food from sticking or boiling over—and saves me many hours of scouring time.

"Yes, there are dozens of reasons why I like my automatic range. One of the best is that I have time to be a War Bond Warden, and still be sure my meals will cook perfectly while I'm away."

"Until we got an automatic range I didn't know how easy it was to be a really good cook. Why, our range cooks fast—it's easy to use, and I find the automatic features do a big part of my cooking job for me. So if you have an automatic range, be sure you take advantage of all the help it can give you."

Ruth Gussarson and Lt. O. R. Winfield United in Marriage

A white satin gown with a finger-tip-length veil was worn by Miss Ruth Gussarson for the wedding ceremony at which she became the bride of Lt. Orville R. Winfield, Saturday afternoon at 4 o'clock in the Antioch Methodist church.

She carried a bouquet of yellow rosebuds.

Mrs. Otto Gussarson and Miss Ruth Winfield attended the bride. Otto Gussarson was best man and George Winfield was groomsmen.

The Rev. Warren C. Henslee presided at the services.

Miss "Dor" Wilson of Zion sang "I Love You Truly" and "Because," accompanied by Hans von Holwede.

A supper for 50 guests was served at Spiering's Castle at 6 o'clock, and a reception for neighbors and friends of the couple was held there at 8 o'clock.

Guests were here for the occasion from Wooddale, Algonquin and Chicago, as well as from nearby communities.

The bride is the daughter of Mr. and Mrs. Hugo Gussarson.

The bridegroom, a first lieutenant in the Army Air corps, is now stationed at Lockbourne Army Air base, Columbus, O., after having served overseas in the European theater of action for eight months with the Eighth Air force. He holds the Distinguished Flying cross, the Air medal and four Oak Leaf clusters. After his return to this country in November he was assigned to Lockbourne as an instructor.

Both the bride and the bridegroom are graduates of Antioch Township High school.

They plan to leave for Columbus Sunday morning.

State Officer Will Visit Rainbow Girls Monday Evening

In Memoriam

In memory of my dear Dad, Fred Harden, who passed away two years ago May 30, 1943.

Though all things near are green and gold,
They lack the charm they used to hold:
All the place seems lonely and chill and gray,
And nothing's the same since Dad's gone away.

Daughter, Minnie.

Library News

"It's Fun To Make It Yourself," by Stacey Maney, describes the selection and care of tools for the home workshop and the best methods for carpentry and painting. It has many illustrations of useful and beautiful things for the home and garden. This book was placed in the Antioch Township library as a memorial to Max Huber.

"The Folded Leaf," by William Maxwell, is the story of a Damon and Pythias friendship, written with warmth and understanding and set in the Midwest. "Fireweed," by Frances Sarah Moore, is the story of lovely, talented Vicki Moss who turns away love and marriage and becomes a famous singer. "To Keep My Love" is Vivien Grey's new novel. It is the story of aristocratic Alice Arden and her defiance of family tradition.

"The Philadelphia Murder Story" is Leslie Ford's latest offering to mystery story fans.

The library has received a number of copies of the Illinois Garden Guide and Green Thumb contest leaflets for free distribution.

City of Verdun, unconquered and risen above its ruins, dedicates this medal in witness of its recognition."

"Proceedings of the municipal council of Verdun, Nov. 20, 1918."

"All those who have ranged here the wall of their chests that the enemy might not pass and who have, through suffering, merited being honored, will be able to retrace this in the glorious intimation of our 'Book of Gold.'"

"Andre Maginot, deputy of Meuse, minister of war, spokesman of Verdun, August 27, 1922."

"The soldiers of Verdun, proud of the insignia which has been given to them and which has been reserved to them, will have emblazoned for their children on the 'Book of Gold' guarded in this monument the attestation of their valor and the proof of the glorious victory which they wrested here from fiercest battle."

"Victor Schleiter, deputy mayor of Verdun, June 29, 1929."

"The name of Francis E. Eppers, 7/5, Engineers XX Corps, United States Army, is inscribed on the 'Book of Gold of the Soldiers of Verdun' No. 34F, Verdun, August-September 1944."

The citation bears the signatures of the president of the Association of the Ancient Combatants of Verdun, and the motto, "They shall not pass"; of the president of the commission for the 'Book of Gold', and of the deputy mayor of Verdun.

The march of the Twentieth corps from St. Jacques to Verdun, France, 600 miles in 30 days, has been hailed as one of the fastest sustained marches in history.

A news release last fall, datelined "With General Patton's Army, Sept. 30," paid tribute to the corps as follows:

"The secrecy which for weeks has surrounded the mysterious 'Ghost Corps' was lifted today, revealing Major General George S. Patton's 3rd Army's great eastward drive across France, distinguished by bold tactics of encirclement which won Prime Minister Churchill's praise in Parliament the other day."

"Within 15 days General Walker led his corps across six rivers—the Loire, Seine, Vesle, Marne, Aisne and the Meuse—to liberate scores of towns and cities, including Chartres, Melun, Montargis, Fontainebleau, Chateau-Thierry, Epernay, Rheims and Verdun. The corps' speed was such that it thrust through the Argonne Forest in a matter of hours, as compared with the several months required to take these woods in the World War."

"At one place the armored columns of the 20th Corps knifed through the enemy's defenses with such force and speed that staff officers of a high German headquarters scrambled out of their mess hall and joined the fleeing troops to avoid capture. Their untouched food was still hot when the Americans moved in."

"Incessantly pushing the Germans back and off balance, the 20th Corps captured or destroyed 200 enemy tanks, 350 personnel carriers, 500 guns of large caliber, 80 planes and 90 vehicles. Enemy troops killed or captured exceeded 20,000."

The following news release has been received from Indiana—

Captain Adolph N. Berke has reported for duty as Assistant Post surgeon at Jefferson Proving ground, an Army Service Forces Ordnance installation in southern Indiana.

Capt. Berke, whose home is in McKeesport, Pa., practiced medicine in Antioch, Ill., before entering upon active duty in the medical corps in October, 1942. He prepared for a career in medicine at the University of Pittsburgh and Chicago university. He served with the 86th division at Camp Howze, Gainesville, Tex., and the 658th Field artillery at Camp Forrest, Tenn., prior to coming to the Jefferson Proving ground.

Capt. Berke was accompanied here by his wife and their two children, James, 5, and Sharon, 3. They are residing temporarily in Seymour, Ind., but are seeking a place of residence closer to his station.

Pfc. Raymond B. Willett heads his letter—

"Hello, Everyone!
"I am sorry about not writing sooner, but have been busy. Now I am having a long rest in a hospital some where in the Marianas Is. I was wounded on April 14 on Okinawa and have been in the hospital for a month, so I've had quite a rest. Am getting along fine."

"I see by the Antioch News that the boys and Pfc. Turner are doing and have done a swell job over in France."

"I received 5 papers today and they were dated from Jan. 4 to March 15. I was happy to receive them, as I haven't had any news for a long while."

"I haven't met any of the boys from home yet. But I expect to see Pfc. Don Anderson of Chicago soon."

"I tried to locate S/Sgt. Virgil Horton while I was on Leyte in the Philippines, but I couldn't get in touch with him."

"Yes! I have the Combat Infantryman's badge. I have two battle stars on my campaign ribbon, and have been awarded the Good Conduct ribbon and also the Purple Heart."

"Well, the doctor is coming around to my bed soon, so I'll close and try to figure out what I can do to celebrate my birthday anniversary today. I am now 24, and feel like 50. 'Hope this finds everyone o. k.'"

War Obligations are Still Important in Phone Co. Schedule

"Recent reports concerning the partial lifting of restrictions on the manufacture of telephone instruments have given rise to false hopes on the part of people who are waiting for telephone service," E. L. Simpson, manager for the Illinois Bell Telephone company, said today. "To the extent that availability of materials and manpower permits, additional telephones will be manufactured, but there is a tremendous waiting list of people who want telephone service, some 1,800,000 of them throughout the country. The communication industry still is obligated to provide equipment to carry on the war and will continue to do so even with the defeat of Germany."

Simpson said the important thing to remember is that the majority of these 1,800,000 people cannot get service because there are not enough switchboards and other central office equipment, as well as cable and other line facilities which are necessary to provide service.

"Accordingly," Simpson added, "even if the company had adequate supplies of telephone instruments, which it does not, and cannot expect to have for some time, it would still be quite a while before service could be given to all who want it. The manufacture and installation of central office equipment, which has practically been at a standstill for civilian service during the war, is an intricate and time-consuming operation, much more so than the manufacture of telephone instruments."

"We appreciate the patience and understanding shown by those on the waiting list. We are doing our utmost to meet everyone's needs at the earliest possible moment."

**S/SGT. RICHARD A. THILL
LIBERATED IN GERMANY**
A/C Roger A. Thill, Box 1073, Sqdn. W, AAAF, Amarillo, Tex., writes—

"Knowing that you'd be interested in hearing about our good fortune, I'm happy to tell you that my brother, S/Sgt. Richard A. Thill, was liberated the 26th of April by the U. S. 104th division. As soon as he is rested and recovered, he will be returned by air to the United States."

"Dick's second letter in 10 months is as follows:

"April 26, 1945
"Dearest Mom,
"I was liberated late yesterday afternoon. I am in good health; plenty run down after living on spuds and very little black bread, but healthy."

"I hope and pray that the Lord has kept you all safe and well. I can't tell you much more now, but as I read this, I see it's Rog's birthday. Happy birthday, Rog!"

"The 30th of this month makes it the 10th month since I've heard from you. I can't wait to hear all the news and how and where everyone is."

"I am crawling with lice and will be deloused probably this afternoon."

"Maybe you read how so many P. O. W.'s were marched over Germany. Really, it wasn't so bad. I hope you didn't worry much."

"Love, and I hope you are all safe and well."

"Dick was a tail gunner on a B-24, with the 465th Bomb group, 15th Air force, Italy. He was shot down over Kassel, Germany, on the 19th of June, 1944."

"Our youngest brother, William E. Thill, is in an electronics and radar school in Florida. His address is Sdn. P. B. M. C. No. 1, Boca Raton, Fla."

"I am attending Flight Engineers' school for B-29's at Amarillo."

"While stationed at Minter field, Bakersfield, Calif., a month ago I met Harvey Miller. Harv and I graduated from high school together. He was the first Antioch boy I've met since being in the army."

"In addition to the tremendous toll of prisoners taken, elements of the Seventh army also liberated thousands of Allied prisoners of war when they overran German prison camps. Among the world famous personages liberated were Leopold, king of the Belgians, his queen and family, and Edward Daladier and Paul Reynaud, former French premiers. On the other side of the ledger the prisoners of the army include Herman Goering, Reich air marshal, Field Marshal! Albert Kesselring, commander-in-chief of the western front, and his predecessor, Field Marshal Gerd von Rundstedt."

"Before climaxing its spectacular drive to victory with a link-up with elements of the Fifth United States army in Italy, the Seventh army captured hundreds of key towns and cities, including Nuremberg, Salzburg, Wurzburg, Innsbruck, Munich and Hitler's hideaway town of Berchtesgaden."

**ROBERT E. PITMAN IS
NOW STAFF SERGEANT**

With the 45th division of the Seventh army in Germany—Staff Sergeant Robert E. Pitman, son of Mrs. Lillian Menre, North Main street, Antioch, Ill., was promoted recently to his present grade from that of sergeant."

The local soldier's unit is a part of the victorious Seventh United States army commanded by Lt. Gen. Alexander M. Patch. The first American army to taste combat in World War II, the Seventh was born on D-1 of the Sicilian invasion. After sweeping the enemy out of Sicily in 37 days of hard, fast fighting, the Seventh became the mystery army of the European theater until revealing its power in the invasion of southern

France.
From the beaches of the French Riviera the forces of the Seventh army launched a drive that was to carry them more than 1,000 miles through the heart of Fortress Germany. No other army has fought over so long a route or has liberated so vast an area as the Seventh. During this history-making drive which carried it over the Maritime Alps, the rugged Vosges range, across the Rhine and Danube rivers, the men of General Patch's forces captured more than 650,000 prisoners. This total includes only those prisoners taken in combat and does not include the thousands who surrendered en masse when the German 19th army and the German Army G capitulated to the Seventh."

From an Eighth Air Force Bomber Station, England—Promotion of Ray W. Baethke, 22, of Antioch from 2nd lieutenant to 1st lieutenant has been announced at this Eighth Air force B-17 Flying Fortress station. Lt. Baethke is a bombardier on a Fortress which has been bombing German military targets in cooperation with advancing Allied ground forces as a member of Colonel Chester C. Cox's 388th Bomb group. Lieutenant Baethke is the son of Mr. and Mrs. Walter H. Baethke, 911 Main street, and was a student at the University of Iowa before entering the AAF."

**ROBERT BEHLER PROMOTED
TO STAFF SERGEANT**

HDQ. Tenth Air Force in Burma—The promotion to Staff Sergeant of Robert W. Behler, 23, son of Mrs. Elizabeth Behler, 402 Lake Ave., Woodstock, Ill., has been announced by Maj. Gen. Howard C. Davidson, commanding general of the Tenth Air Force.

Sgt. Behler, a tail-gunner on a Mitchell medium bomber, is a member of the 12th Bombardment Group, known as the "Earthquakers," of the Tenth Air Force. In the India Burma theater 7 months, he has 50 missions over Japanese-held territory. The newly promoted soldier holds the Air Medal with an Oak Leaf Cluster.

A graduate of Antioch high school, Sgt. Behler was employed as an inspector for Alemite Dye Casting & Manufacturing Co., prior to his enlistment in the Army Air force 34 months ago.

Sgt. Behler, is a nephew of Mrs. Homer B. Gaston and made his home with her for four years while attending high school in Antioch."

TO THE ANTIOCH NEWS—

I want to write you and thank you for sending the weekly copies of the News. It sure helps to keep one informed of what is going on back there. My grandmother, Mrs. Mary C. Dalziel, of Lake Villa was responsible for me to be receiving the Antioch News. I have lived in the Antioch, Fox Lake region for quite some time but the time prior to my entrance into the army I was living in Waukegan and my wife and baby daughter make their home with her parents at 510 12th st. North Chicago."

I really appreciate your column of the boys in service because I knew a great number of them, they all seem to be on the other side of the globe. I read every copy that I get from cover to cover it really brings me back to the streets of Antioch."

Due to the fact that censorship has been lifted to a mark degree we can tell where we are located. Caserta is where the Royal Palace, which is Allied Force Headquarters and where we handled the first reports of the German surrendering in Italy. We really have plenty of work here for all branches of communication. It keeps us busy seven days a week. I wish I had time to tell you more about this spot. It really is quite pretty here now."

The crops over here this year are much improved over last year and looks as if they will have plenty to help the northern people of Italy with."

The weather at present is quite warm with temperatures up close to eighty and above."

I'm going on shift soon so I will have to close this letter for now but I want to thank you again for the News and I am sending you my complete address."

Sincerely yours,
Cpl. Paul F. Savage,
APO A 512 c/o P M N. Y.
New York."

Among the 185,000 men and women of the Eighth Air Force congratulated today by Lt. Gen. James H. Doolittle, who assumed command of the Eighth in January, 1944, was Corporal Richard W. Davis, son of Mr. and Mrs. Charles W. Davis, Route 1, Antioch, Gas handler."

Plan Conservation Classes this Summer

June 3-16 and July 8-21 are the dates set for the annual Illinois State Conservation courses for young people, which will be held again this year at the Conservation school. As was the case last year, one school boy or girl will be chosen from each county to attend the course. Alan Thain of Antioch represented Lake county last year.

S/Sgt. William H. Dalziel, 19, son of Mr. and Mrs. William G. Dalziel of Gurnee and an Eighth Air force ball turret gunner on a B-17 Flying Fortress, has been awarded the Air Medal with four Oak Leaf clusters for meritorious achievement during more than 30 missions over Germany."

He is a member of the 388th Bomb group, a unit of the Third Air division, which was cited by the president for its shuttle mission to Africa when the Messerschmitt plants at Regensburg were bombed."

He took part in bombing attacks on rail centers in Berlin, oil refineries at Hamburg, Merseburg and Ruhland, aircraft plants at Munich, submarine pens at Hamburg, and railroad yards at Dresden, Chemnitz, Cologne, Hannover, Coblenz, Plauen, Hamm and Mannheim."

Pfc. Wilbur Turner, New York APO 242, is understandably prejudiced in favor of the home region—

"I think it's about time I wrote. I just received the first April copy of the paper and the last March one, and have read it and re-read it several times."

"I've seen a lot of Germany—Worms, Wunzburg, Furth, Schweinfurt, Munich and a lot of smaller towns. I'm now somewhere in the Alps mountains, in Austria. It sure is a beautiful country, but not near

as good as it is around Antioch or northern Illinois."

"Well, the sun is going down and it's getting dark, so it's bed time for me. I sure appreciate receiving the paper and enjoy it very much."

"Hi, Folks," Cpl. Theo. L. Schock, APO 444, New York, starts out—"Now that we have stopped for a 'breather' I have time to get off a few letters. Our mail has finally caught up with us, and I find that lately instead of getting one copy of the 'News' I am getting two. I hope you'll look into it. I may be getting someone else's besides my own."

"The big question on everyone's mind here in our outfit is whether or not we stay here for a while or move on to the orient. 'Course us

'little guys' can't answer that question, so we just will have to wait and see."

Sgt. Charles A. Wedge was a patient in a hospital in southern France recently."

MAYBE IT WOULDN'T be practical to send out bloodhounds after empty Pabst Blue Ribbon bottles... but it is important to get those bottles back somehow!

You see, we can't keep on supplying your favorite dealer with Pabst unless the bottles are returned. So—after you've enjoyed this truly great beer—won't you try to return your "empties" promptly? Then there'll be more delicious Pabst Blue Ribbon for you and your friends—sooner! And if you can't always find Pabst—ask again next time, won't you?

LAKE VILLA

The Children's Day program of the church school of the Community church will be given on Sunday, June 10 at 10:45 in combination with the worship service. Please note that this service is 15 minutes earlier.

The Woman's society of Christian Service meet Wednesday, June 6 with Mrs. William Walker at her home east of the village on Grand avenue. Visitors are very welcome.

Mrs. Marie Hamlin fell in her home last Tuesday and completely dislocated her left shoulder. She was taken to the St. Therese hospital for treatment and x-rays and was able to come home on Thursday afternoon.

Mr. and Mrs. George Spamer of Chicago were guests of Mrs. Spamer's brother and sister, Royal and Ruby Talch Saturday and Sunday.

The free moving outdoor picture shows sponsored by the business men of Lake Villa began last Saturday evening with a large attendance. They will continue each Saturday evening throughout the summer.

Mrs. Arthur Nauta of Waukegan spent a few days last week with her daughter, Mrs. Lester Hamlin, and family. Mr. Nauta joined her on Sunday, also her other daughter, Mrs. George Beemsterboer of Chicago who spent the day at the Hamlin home.

Mrs. G. Swanson and daughter, Mrs. Ruth Pollard were Waukegan visitors on Saturday.

School closed here with the annual school picnic at the Lake Villa park last Thursday with the teachers, Mrs. Chitty, principal, Mrs. Oilschlager and Miss Falch in charge and members of the P. T. A. assisted in games and refreshments.

John K. Cribb was stricken last Friday with a heart attack and became worse on Sunday when he was taken to the hospital by the Antioch Rescue squad and on Monday afternoon when this report was written seemed much easier.

Mr. and Mrs. C. W. Reinbach returned home last Friday after a very

pleasant visit in Philadelphia with their daughter, Mrs. Betty Anderson and family.

Augie Tanner of Chicago visited friends here last Saturday and Sunday.

School Graduation

Eighth grade graduation exercises were held last Wednesday evening, May 23 at the school gym. There were six graduates from Lake Villa school, Mrs. Chitty, teacher; three from Sand Lake school, Mrs. Garland, teacher; Those from Lake Villa were Jeannette Slazes, Arlene Popp, Elaine Geng, Arthur Ducommun, Marlene Nader and Lester Ruig. Those from Sand Lake were Lawrence Riedel, Marjorie Thompson and Gloria Schaeffer. Mrs. Delbert Sherwood played the processional and recessional, also the accompaniment for the songs by Ronald Walker and Gene Nickerson, Dorothy Kildera, Karen and Donna Martin, Gloria Schaeffer,

Elaine Geng played a piano solo. The Rev. DeVries gave the invocation and benediction. Jeannette Slazes gave the class history and prophecy and Marlene Nader presented the class gift which was a service flag with stars to represent each boy who finished eighth grade in Lake Villa school and is now in service. Marjorie

Thompson of the Sand Lake school has the honor of being third highest in the county in 8th grade examinations. Mr. Newenham, assistant county superintendent, gave the address to the class. Beautiful bouquets were sent in to decorate the stage. The American Legion awards were presented by Mr. Harold Watts of

the Legion to Jeannette Slazes and Arthur Ducommun, first and second to Elaine Geng and Lester Ring. Mr. Joseph Nader of the school board presented the diplomas to the class.

Jack Stratton, a former Lake Villa boy, brought his wife and two little girls back to Mrs. Stratton's home in

Kenosha to stay while he returns to duty in the So. Pacific. Jack has already served two years in the So. Pacific, has been back in San Diego, Calif. on duty for a year and now goes back to So. Pacific. His brother, Dick is in Okinawa with the 3rd amphibous Marines.

The face is your neighbor's...
THE VOICE IS UNCLE SAM'S!

Sometime during the next few days you'll open your door . . . or look up from work in the field . . . and see a face you probably know well.

It will be the face of one neighbor. But in reality your caller will be your 138,000,000 neighbors throughout America. Neighbors inviting you to join them in putting the mighty 7th War Loan over . . . in a mighty big way!

"Will you buy a War Bond?"

The request may be that simple. But you'll know the earnest hope behind it . . . "Do your part, neighbor! . . . I'm doing mine, and giving freely of my time to make the mighty 7th War Loan a success!"

Now, the need is greater than ever . . . for weapons, for planes, for tanks, for food . . . and for War Bonds to keep them moving to our front lines.

Dig down deeper! Every day in the news headlines you see and hear reasons for investing as much in bonds as you possibly can. Join the 7th War Bond Drive with every idle dollar when your neighbor calls . . . let's get the war over with!

TRADE YOUR FOLDING MONEY FOR FIGHTING MONEY

WAR BONDS PAY OFF IN THESE 7 WAYS...

- 1 The same Government security backs your War Bonds as backs the actual dollars you put into them.
- 2 You get \$100 at maturity for every \$75 loaned now.
- 3 You can get your money back, 60 days after issue date, any time you need it . . . in the meantime you get safety and steady growth.
- 4 You have a backlog to renew farm buildings and equipment after the war.
- 5 Bonds will insure your children's schooling, or provide for your own security, travel, retirement.
- 6 Bonds go into a national nest egg that will help to assure post-war prosperity.
- 7 Bonds transform your love of home and country into action . . . you join personally in the biggest, most urgent War Loan of all—the Seventh!

Entries for Gardening Contest Being Received

A warning to Illinois boys and girls that entries in the \$6,000 scholarship contest of the National Junior Vegetable Growers' association will close July 1 has been issued by Leo J. Hagemann of Peoria, president of the Vegetable Growers' association of America.

Recent unseasonable weather emphasizes one of the three goals of the national contest, Hagemann reports. That goal consists of adding to the nation's food supplies for the home, for other civilians and for the armed forces. Whether gardens are 20 by 30 feet or range up into commercial acreages, youths 12 to 21 years of age have a chance in the contest to learn efficient production and marketing through a course of study submitted to every entry. City, suburban and farm gardeners are eligible. County 4-H club leaders and teachers of vocational agriculture have been supplied with contest handbooks.

The third goal includes winning scholarships. These range from war bonds to thirty-three \$100 sectional championships, four regional championships with \$200 scholarships each, and a national championship title with a \$500 scholarship. Entries should be mailed to the junior growers' adult advisor, Prof. Grant B. Snyder, 103 French hall, Massachusetts State college, Amherst, Mass.

Observer...

We ain't had an awful lot to say about post-war planning, but the time has come when we can't resist getting in our little 2 bits' worth—thanx to the Chi. Motor club—

Numerous inquiries regarding post-war travel on the Alaska Highway have caused the Touring Bureau of the Chicago Motor Club to advise the ordinary motorist not to attempt the trip. "It is decidedly an adventure," says a bulletin issued by the club "because of the lack of gasoline and repair stations. With the exception of limited facilities at Fort St. John, Fort Nelson and Whitehorse, places to eat and to sleep are not to be found."

The bulletin quotes the United States Bureau of Roads as expressing the opinion that within a year or two of V-J Day tourists will be able to travel over the highway. Immediately after the war the trip, according to the club bulletin, should be made only by those who are equipped to take care of themselves in a wilderness. "When the road is ready for travel however," concludes the bulletin, "the twenty hours of daylight, with twilight at midnight in midsummer, combined with a panorama of mountain lakes, sparkling streams and spruce forests, will make the trip a delight."
